This week we'll be talking about the ways that animals help us and the kinds of work they do for us.</i>	27
28 	<b>SPRING BREAK            SCHOOL IS CLOSED — CLASSES            RESUMES APRIL 5, 2010</b>			31 <b>Monthly Theme:</b> <i>Dr. Montessori explained that meaningful work is vital for human happiness, and she taught that play is the work of children, which is why we take so seriously the jobs they do in the classroom. Enjoying and engaging in the present moment is another tenet of the Montessori Method, so this month's theme "But the Work of a Moment" is dedicated to looking at all forms of work and how the work of others serves all of us.</i>
